

Good afternoon!
Thank you to be with us!

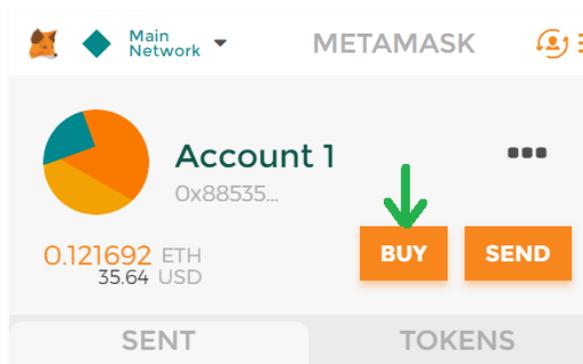

We're glad to inform you that [the most profitable ICO in 2017](#) will start in less than 15 hours in 10:00 GMT. You can learn [here](#) why [Wordcoin](#) = Bitcoin 2011 = \$1.

You can buy [WORDCOIN](#) for the price less than \$1 with bonuses, reaching 35% during PRE ICO in your Investor's account. WORDCOIN is also one of the safest investment tools. All WORDCOIN payments and transfers are automatically implemented by smart contracts to provide complete security of contributions. Because of this reason, payments are accepted in Ethereum, based on which smart contracts are made. The exchange of other cryptocurrencies into Ethereum is maximally simple.

Minimal amount is 0,01 eth, maximum amount is 4 mln eth.
Therefore, how to invest into [WORDCOIN](#)?

1. The fastest way is via [MetaMask](#) (plugin in google chrome). If you still haven't installed it, it will take no more than 1 minute. [Installation guide](#)

2. If you use another cryptocurrency, you can easily exchange it into Ethereum, by pressing «Buy» button in MetaMask and choose the cryptocurrency, which will be used for purchasing Ethereum. [Instruction](#).

3. If you use an Ethereum wallet, you just need to copy a contract address in Investor's account and contribute to it via your wallet. Do not pay from exchanges wallets! Otherwise, we will not be able to enroll [WORDCOIN](#) to them. [Instruction](#).

4. If you use only fiat money, you can exchange it on any popular cryptocurrency exchange in your region and then to make contributions, according to the above-stated instruction.

For your convenience, our website has the investor's cabinet <https://my.wordcoin.io/>, where you can monitor contributions in real-time.

The weekly PRE ICO stage is the most profitable for investment:

Early birds bonus

In case you invest within the first hour of PRE ICO, you will get the bonus in the amount of 24%, within the second hour – 23%, and so on within first 24 hours of PRE ICO.

3% of the attracted funds during the ICO, which will last from 10/10/17 till 07/11/17, will be distributed among all the investors. Based on PRE ICO results, 2 000 000 WORDCOIN will be distributed proportionally according to each investor's contribution.

Bonus for PRE ICO investors

General investors bonus

If you invest more than 7 ETH, you will receive a general investor bonus in the amount of 10%
